Joseph Masiello CSCS, MES Principal

As co-founder of Focus Integrated Fitness, Joe Masiello has studied and implemented innovative programs ranging from weight loss strategies to strength and conditioning. Masiello first acquired a clientele as a personal trainer while studying at the University of Miami. He currently holds full certification from The National Strength and Conditioning Association, The National Academy of Sports Medicine and The American Academy of Health and Fitness Rehabilitation Professionals. An avid proponent of continuing education for trainers, Masiello has completed over 50 specialty programs, including core training, pre/post natal, heart rate training and athletic training. As a Medical Exercise Specialist, he actively collaborates with rehabilitation therapists, designing and implementing post-rehabilitation programs.

Masiello has been featured on CBS News and in The Daily News, I-Village Online, Our Town East Side, WB-11 News, Star Magazine, Fitness Magazine and Fox 5. As a renowned celebrity trainer, he was chosen as a contributor to Dr. Jana Klauer's New York Times bestsellers "How the Rich Get Thin" and "The Park Avenue Nutritionist's Plan".

Joe brings to Focus Integrated Fitness a heartfelt commitment to his clients and intensive expertise in every facet of fitness.
