Ramel B FPTI, NASM

Born in Virginia, fitness has always been in Ramel's life starting from his first pull-up bar in middle school, wrestling in high school, and now corrective exercise, strength training and performance based program design. As a personal trainer, Ramel uses his individual dedication to his own workout routine to motivate and inspire others to reach their goals – including strength, weight loss or simply feeling better overall.

A graduate of Focus Personal Training Institute, Ramel studied Kinesiology, Biomechanics, Exercise Physiology, Program Design, Client Assessment, Nutrition, Bioenergetics, and Injury Prevention. Ramel remains motivated to learn and is continually expanding his knowledge in the fitness industry. Proud to call FocusNYC his home in the fitness industry, Ramel shares the company's core values of education and professionalism – which he brings to every session with his clients.
